## VOLUNTEER WORK

Since 2003 I am a sports climbing trainer, performing the following tasks:

- Create long term training plans
- Give training
- Organize and lead weekend trips
- Organize championships
- First aid

## HOBBYS

- Sports climbing
- Play music (guitar)
- Geocaching

## PERSONAL PROFILE

The last years of my current job I have been an enthusiastic leader who is result driven, but open and approachable at the same time. I have strong planning skills and an excellent eye for detail. I have a hands-on mentality and work hard. Outside my work I also enjoy interacting with other people and contribute to the community by actively being involved in a local climbing school. There I can express my creativity in organizing trainings and events.
